

## **About Example Write-ups**

There will be an example write-up with each of the following analyses. You keep in mind that this is just an example -- not a depiction of the "one true way". Different folks you will study and work with may request very different formats or styles of write-ups. These are offered to show how you might organize and present the information. The key is to get the information to the reader in a clear and organized manner. Remember, these are your data and you have to be sure that the reader is able to follow and understand your data.
